

Thursday Message

3-4-21

Hello C-L Lions!

At a special board voting meeting last evening, the school board approved the following motion:

Consideration for the approval to modify the low and moderate phases of the District's Phased Reopening Plan to provide for 5-days of in-person instruction pursuant to the administration's 5-day educational plan, to be effective March 16, 2021.

Below is the recorded presentation of me sharing the plan last evening. Also, below is the actual power point I used if you would just like to review those few slides.

Important Points for YOU:

*C-L will begin a 5-day in-person learning model on **Tuesday, March 16th**.

*If your child is in person now, you do nothing.

*If your child is remote now and will return to in-person now or by March 16th, contact the principal.

*If your child is remote now and will stay remote through the end of the year, contact the principal and review the rules for remote students as of March 16th in the power point presentation. Please call the principal with any questions.

C-L is Roaring with Pride to have our students K-12 back to school on March 16th!

Enjoy the evening!

Mrs. Amy J. Glasl

Superintendent
