INSTRUCTIONS on how to join: This will run daily **M-F**. All you need to do is email one of the two people listed above for your grade level and time. Breakout rooms will be created for students/parents to work collaboratively where needed and the actual teacher may be invited to support that breakout room if available. If you realize that you/your child would like to attend a study hall that has already begun, just send the email then and you will be able to join. 7-12 students who are failing or on the ineligibility list are strongly encouraged to access the moderated study halls.
